SENATOR DWORAK: I move that LB 329 be advanced to E & R for engrossment.

PRESIDENT: Discussion of that motion. All those in favor say aye. Contrary say nay. The bill is advanced.

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB 275.

PRESIDENT: Discussion. All those in favor say aye. Contrary say nay. The amendments are adopted.

CLERK: Now, Mr. President, there is amendments offered by Senator Clark to LB 275 which appear on page 149 of the Legislative Journal.

PRESIDENT: The Chair recognizes Senator Clark.

SENATOR CLARK: Mr. President and members of the Legislature, what this does is set up the correctional public council for the grievances out there now. This was agreed to by Senator Luedtke. This really strengthens the bill. His particular bill was a good bill as far as it went but this is one of national importance and really wished upon us by the Constitution of the United States and the Supreme Court and I would move for their acceptance. The only thing it does do is to set up the grievances, and if Senator Luedtke would like to speak to this, I would like to have him do so.

SENATOR LUEDTKE: Mr. President, as far as these amendments go, I wonder if, I believe we have a meeting scheduled for tomorrow, don't we, on this matter. I wish, rather than to take up the time of the Legislature now, there are a few things I would like to discuss with you and Brian and could we put this over until after we have had our little meeting on the adoption and just let it hold on Select File until we can have a discussion. There are a few matters that I would just as soon discuss with Senator Clark, if that is all right with Senator Clark.

SENATOR CLARK: It certainly would be agreeable with me.

SENATOR LUEDTKE: So I would move that it be held or bracketed on Select File until we meet.
